Test Driven Development

Profile

I am a front-end developer with a background in bar/restaurant management. My 12 years in the restaurant industry has given me a set of skills that are crucial for any developer: **problem-solving, communication, teamwork, and attention to detail**. A graduate of two full-stack bootcamps, I am excited to continue to grow and learn in a professional environment alongside other creative and passionate programmers.

Employment History

Teaching Assistant, Academy Pittsburgh

SEPTEMBER 2021

- Mentors new learners, guides discussions, and provides feedback on projects
